MEMORANDUM FOR: Chief, Special Projects Branch, DPD-DD/P
SUBJECT : ECP Numbers HY-60 and HY-61

1. We have received the attached ECP's (HY-60 and HY-61) from the Hycon Manufacturing Company for review and approval. Both of these ECP's relate to the A-1 and A-2 Cameras. At the present time project assets of this equipment consists of three A-1's and five A-2's. The total cost of accomplishing the ECP's on this equipment will be slightly in excess of \$10,000.

2. In view of the lack of use of this equipment with the IDEALIST Project, I seriously question expending this amount of money for these improvements. I would appreciate receiving your comments as to any foreseeable operational requirements which will justify our approving these ECP's.
